

Journal of Intense Pulsed Lasers and Applications in Advanced Physics

The Journal aims to publish papers, short communications and research notes in the field of Intense Laser Pulses, Science and Applications. Applications in Advanced Physics as Nuclear Physics, Biophysics and Medical Physics and Advanced Materials is another purpose of the Journal. Last but not least the extreme light science and applications is considered

News, comments and technical notes are also accepted. The Journal will appear with 4 issues per year and will be primarily online edition. Papers must not exceed 20 pages and short communications 4 pages. The papers will be refereed by two reviewers and the consensus of publication will be established in the Editorial Board.

A publication tax of 50 Euros (65 USD) will be perceived after the approval of the paper for publication. Publication fee covers the review process, technical processing and free access to the online edition. The payment document will be sent together with the copyright signed by the corresponding author.

Printed edition will be available at the end of every issue.

Instructions for authors

ATTENTION, CORRESPONDING AUTHORS! When you submit a paper to JIPLAAP, please send as attached file the following information:

- 1. Does the present submission represent original work?**
- 2. Is the present work being considered for publication elsewhere in any other form ?**
- 3. Is some part of the present work published elsewhere? If so, provide details.**
- 4. Are all co-authors aware of this submission?**
- 5. Have all co-authors contributed to this work?**

Signature

The authors must send their manuscripts electronically on the e-mail addresses of Managing Editors:

Prof. Cristian Florea, ESIEE, Paris, France

e-mail: cristian.florea@univ-paris-est.fr

Prof. Mihai Popescu, National Institute R&D for Materials Physics

Atomistilor Str. 105 bis, 077125-Bucharest-Magurele,

P.O. Box MG. 7, Romania

e-mail: mpopescu@infim.ro

The manuscript must be written in British English, as Word document (extension doc. or .rtf). Review papers are limited to 25 pages. Regular papers are limited to 12 pages. Short communications are limited to 6 pages and short breaking news notes are limited to 3 pages. Every manuscript must have an abstract with maximum 200 words. Figures and Tables are recommended to be introduced in the text with their legends.

The following structure of the paper is recommended:

- 1. Introduction,**
- 2. Experimental (Theory, Modelling),**
- 3. Results,**
- 4. Discussion,**
- 5. Conclusions.**
